NOTES:

- 1. Rates for multiple months are Lump Sum (not monthly) except where noted as monthly.
- 2. First day rate = first month rate (to cover move-in/move-out costs).
- 3. Can accommodate up to 2 warning lights.
- 4. Several CalTrans districts now prefer that we install one of these LED Beacons atop all post-mounted signs and, during night work, atop the required portable advance warning signs, rather than using only 2 12" beacons at the project perimeters.
